

Have your next party hosted by *The Tea Experience!*

BASIC PARTY INFO

The Tea Experience is available to host your tea party at your home, at one of our partnered venues, or at an off-site location of your choice.

There are additional fees incurred for parties held at an off-site location (venue rental fee, hourly wait staff (\$20 per hour per staff), 20-25% for delivery charges, and the use of serve ware (if requested)).

We can comfortably host 10-60 guests at selected partner venues.

Tea Parties last 3 (1 hour to set up and clean up) hours long. You can extend time for an additional \$15.00 per person per 30 minutes.

We will not serve any nut products at a party (if requested). We may be able to accommodate other dietary restrictions, but they must be disclosed one week in advance of the party and may incur additional fees.

WHAT ELSE SHOULD I KNOW?

50% Deposit is required to reserve the party date.

The number of guests must be confirmed 5 days prior to the party. No changes can be made after that date.

25% (of party total cost) cancellation fee will be incurred for parties cancelled "last minute" (2 days before the party date).

Depending on the venue, outside food (of any kind) **may not** be brought to the party.

Applicable sales tax and a 20% gratuity will automatically be added to the total cost of your party

If you have a food allergy, please speak to the owner, chef, manager, or your server.
